

PICTURE KING

Very stable and robust tripod.

- Top-quality projection screen on a tripod, well-known for its stability and durability under intensive, portable use.
- The Picture King's very stable tripod is made from square tubing and features a simple, foot-operated toe-release mechanism.
- Special transport lock protects the screen fabric from damage.
- Self-locking handle for optimum height adjustment and portability.
- Integrated OHP bracket for keystone correction with a length of 40 cm.
- Available in 'Carpeted' version. The Carpeted Picture King is covered with black carpet for rental situations.

ACCESSORIES

- Protective cover shields the tripod screen from dust and prevents damage during transportation.
